

REMEMBERING WYATT DALE WATER SAFETY AWARENESS

Swim Instruction Scholarship Application Form

Remembering Wyatt Dale Water Safety Awareness offers swim instruction scholarships to children in families with financial need by granting scholarships.

ELIGIBILITY

Assistance is granted on the basis of financial need. We consider household income and number of legal dependents as the primary criteria. While we understand that monthly expenses can be extensive, it is impossible to base scholarship awards on each individual budget.

We believe that a sense of ownership is developed if the participant contributes to the cost of his/her involvement. Therefore, scholarship recipients may pay a percentage of the program fees.
